Based in Hertfordshire just north-west of London, you'll find the bustling town of Watford. It has great shopping thanks to a £180million extension to the Atria shopping centre. There's also restaurants, nightclubs, and award-winning parks including Cassiobury, which covers 250 acres.

It has a number of theatres and museums, the best known being the Warner Bros. Studio Tour London – The Making of Harry Potter. This displays costumes and sets from the Harry Potter films and a special shuttle bus provides a connection from Watford Junction station straight to the studios.

With so much nearby as well as its close proximity to London (15-20 mins by train), it's not hard to see why the Watford lettings market is thriving.. There's a number of different properties available to rent in the area, from modern flats to larger family-friendly houses.
